# Understanding Our Catalogue

Some questions are on everybody's mind, please allow us to explain how our catalogue works and answer the most common questions.

## CODING

Most item codes are shown in the order that they appear by image. You can usually tell which is which by the letter they end in, indicating if the item is a "L" Large or "K" Keepsake etc.

A = Adult L=Large M=Medium S=Small  
XS=Extra Small P=Petite H=Heart  
K=Keepsake T=Tealight

## COLOUR

The colours in each collection are not interchangeable, what is available for each item is as shown.

All possible care has been taken to provide accurate images however due to the nature of print, some colours may vary.

## SIZING

The codes/letters also correlate to the dimensions

Eg T:13cm = Tealight is 13cm

These can usually be found under the Collection name, or next to the item name itself. Eg:

- With the collection  
- Large and Keepsake

- With the item name  
- Large - Keepsake - Medium

### THE JOURNEY

L: 22x29.5cm K: 17x11cm

L:28cm S:17cm M:22cm (high)  
Teardrop Heart Fawn Gold tone heart  
AUKU006L - AUKU006S - AUKU006M

## "Does this hold ashes?"

Unless stated otherwise, all items you see in this catalogue CAN hold at least a nominal amount of cremains.

## Memories

Some items in the catalogue include a package from "Memories". This allows you to use an online platform to create a digital memorial and guestbook, to preserve and share a lifetime of memories at the service and beyond. (Items on pages: 19, 29 & 39).

My Touch

Certain items can be personalised - the process can differ for each item, so please refer to pages 6-7 for details about what each of these different icons symbolise.

# Contents

The items in this booklet have been carefully selected with you in mind, to enable you to select with ease a final resting place for your loved one that closely reflects their individuality; *to help you keep your memories close.*

## A LITTLE ABOUT US - sustainable, fair and quality made.

We are proud to offer an extensive range - full of unique styles and materials - to give people the gift of choice in a time that may be one the most personal moments of their lifetimes. Every person is unique, and every memorial deserves to be just as special.

You will notice that the items in this catalogue come from all over the world. Many years have gone into sourcing the best producers, innovators and caring people in the industry - some are the largest in the world and some are small family run and Australian based, many are in between. We believe in high quality products, that are made by people who care.

It is important to us that the items we offer are manufactured in the highest standards - in both quality and in the way that its creation effects our planet and the people involved in its production. We are proudly registered with Sedex, in their anti modern slavery network, to ensure that manufacturing is fair and ethical. We are also in the process of assessing and developing our SDG sustainability goals, as we have always had an eye on how we can make our process better for all.

# All about Personalising with

My Touch

Engraving an urn with a special design or creating a print for one of our frames is a beautiful way to add your own personal touch to your memorial.

You will see one of these three symbols appearing throughout the catalogue indicating items or collections that are compatible. Each have their own different font and image options available, explained here.

### DROP BUNDLES

The items in the drop range can be personalised with custom choices, or with these ready-designed (and priced) packages.

Available in Butterflies, Doves, Hearts, Roses, Dragonflies and Motorbike. Ask us for details.

In addition to engraving names, dates and sentiments, other options include a selection of artwork. A variety of popular images are available (as shown below plus more), along with a choice of font styles. Items from different collections all have different options available and are created in different regions of the world so it's important to talk to our team to get the specific details right.

NB: Some images will not engrave well on certain surfaces, so once you have made your selection, we can confirm that the image will suit your chosen urn. Please note that copyrighted images cannot be used, but ask us for more information about what may be possible in these instances. There is a time delay for delivery of personalised products. We cannot guarantee urns engraved by outside parties.

## M LOCAL PERSONALISATION

Completed in Australia - wait time approx 2-3 weeks from signed proof.

Currently these are usually available with text only personalising options - most available with the font choices as below - however this can change depending on the item so please ask us for more details on these.

Each urn is crafted by hand and can take up to 30 hours to complete. The sophisticated process involves the hammering of copper filigree to form delicate floral patterns which are hand-filled with enamel to develop rich shades of colour before these beautiful cremation urns are gilded in gold.

You can now preview what an urn would look like - in your own home - with our App for the iPad and iPhone.

## MEMORIALISE WITH TECH

A modern world gives us access to modern ways to memorialise using technology. There are many ways you can record significant details for safe keeping and sharing.

**GEO-CODE**

Included in all passage products (found on pages 46-48) is a Geo-code that can be used to tag the location of a final resting place, and create a unique Memorial, on the online Etern.Life Memorial Map.

**modUrn**

The urn with an App, which can be used to securely create, view and share a completely custom Life Story with images videos and more. (see more on pages 23-25)

**Memories**

Some items in the catalogue include a package from "Memories" - an online platform to create a digital memorial and guestbook. (find items on pages: 19, 29 & 39).

# Take a Moment

Take a moment, to reflect

Take a moment, to write a heartfelt note.

Take a moment, to make it your own.

Take a moment, to include family or friends.

Take a moment, to connect.

Take a moment, to say goodbye

Take a moment, to be together.

A range that captures the essence of moments shared in remembrance of someone you love, or a life well lived. Whether it is a scattering, a memorial, or an anniversary - these moments truly count, and can be so important to grieving. We want to show you just a few ideas of how you can really personalise this in a way that feels right to you.

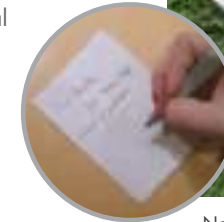

Taking A Moment to remember, to reflect, to celebrate, to grieve.

This range will be growing soon - keep up to date with our online catalogue.

# Eco Urns

For those looking for something that is gentle on the earth and close to nature. A collection that has been designed with sustainability in mind - most of them being biodegradable, and ideal for the scattering process.

### A Living Tribute

Handmade from biodegradable and recycled materials and embedded with seeds, this paper heart will grow flowers as your own living tribute.

Simply plant it in a pot, or directly in a warm garden, covered with 0.5cm of fine soil.

Water lightly every day until the seeds germinate in approximately 5-10 days, then when needed. Flowers in 3-4 months. The paper will recycle into the soil as the seeds burst into flowers.

Pink/Salmon/White  
Native Australian 'Everlasting' Flowers

 Personalisation available separately - page 6

The urns found on this page are all proudly made by Passages International. Most are handcrafted from recycled paper and non-toxic glues and are all are designed for an eco friendly, biodegradable burial.

Biodegradable when placed into deep water. These will float briefly to allow a final farewell before gracefully sinking. Each urn comes with a water soluable bag for cremains inside and a custom carrying case. A monetary donation is made in memory of the deceased to an ocean conservation organisation dedicated to protecting our oceans.

- Crafted by hand from sustainable and renewable resources
- Biodegradable when buried in the earth or recycled after use
- TSA compliant. Can be carried on board most commercial aircraft
- Geo-code for creating a unique Memorial on the Etern.Life Memorial Map

All Colours: 27.5cm (high) \*White also in Small: 18cm (high)

This 100% plant-based biopolymer urn is engineered to fully biodegrade within seven to nine years. The NatureUrn, however, will remain completely sturdy, unaffected by the environment and humidity until placed in soil which will begin the degrading process. It is designed to be equally suitable for display in the home, burial or scattering.

Place the Nature Urn in the ground and plant a tree as a lasting memory of your loved one over the urn. The tree will be well established prior to the urn breaking down.

## A legacy

Many choose to memorialise at a memorial park,  
to create an everlasting legacy of their loved one -  
a place where family or friends can gather.

Sometimes creating a second memorial elsewhere is  
also a part of that legacy.

Perhaps at home, in a sentimental or reflective place, or  
somewhere for family who live far away.

## Grief Resources

The funeral process is just one component of the constant that is grief, ever evolving and popping up in moments throughout life. After the funeral or memorial, it can often be a difficult time, as others return to their lives, while you navigate a new normal. These resources were thoughtfully designed with your unique experience in mind, for you or someone you love to use in whichever way is most helpful, in the days, months and years that follow loss. A continuation of the care you have received so far.

# For little ones

The items appearing with the    symbols are able to be Personalised - see page 6-7 for more information.

These pages contain a selection of urns and memorial items that you may consider for your little one. However, many of the other items throughout this booklet can be chosen for little ones.
