Understanding Our Catalogue

CODING

Most item codes are shown in the order that they appear by image. You can usually tell which is which by the letter they end in, indicating if the item is a "L" Large or "K" Keepsake etc.

A = Adult L=Large M=Medium S=Small
XS=Extra Small P=Petite H=Heart
K=Keepsake T=Tealight

COLOUR

The colours in each collection are not interchangeable, what is available for each item is as shown.

All possible care has been taken to provide accurate images however due to the nature of print, some colours may vary.

Some questions are on everybody's mind, please allow us to explain how our catalogue works and answer the most common questions.

SIZING

The codes/letters also correlate to the dimensions

Eg T:13cm = Tealight is 13cm

These can usually be found under the Collection name, or next to the item name itself. Eg:

		Dimensions
THE JOURNEY		L: 22x29.5cm K: 17x11cm
Collection Name	Large	Keepsake

CAPACITY DISCLAIMER: Sizes may vary and not all adult urns are able to fit a complete set of ashes, please consider needs before choosing.

"Does this hold ashes?"

Unless stated otherwise, all items you see in this catalogue CAN hold at least a nominal amount of cremains.

My Touch

Certain items can be personalised - the process can differ for each item, so please refer to pages 6-8 for details about what each of these different icons symbolise.

Use the image of a loved one's very own handwriting or voiceprint

Engraving an urn with a name, special design or creating a print for one of our frames is a beautiful way to add your own personal touch to your memorial.

Some images will not engrave well on certain surfaces, so once you have made your selection, ask us to confirm if the image will suit your chosen urn. Please note that copyrighted images cannot be used, but ask us for more information about what may be possible in these instances. There is a time delay for delivery of personalised products. We cannot guarantee urns engraved by outside parties.

FOREVER LOVED FRAMES

These frames hold cremains while creating an easy-to-assemble personal memorial, while blending stylishly into your home.

Made in Berkshire, UK,
from sustainably sourced (SFC)
Pine with an Italian Oak veneer.

Hook(s) for hanging sentimental items such as jewellery.

Each of these two frames includes 3 quotes to choose from, that you can assemble at home:

You can no longer see me,
But please know that I am there
I am the flowers in the garden,
I am the wind beneath your hair

May you touch
Dragonflies and stars
Dance with fairies
And talk to the moon

As long as hearts remember
As long as hearts still care
We do not part with those we love
They're with us everywhere

Cloisonné is an ancient technique. Each of these cloisonné decorated urns is crafted by hand and can take up to 30 hours to complete. The sophisticated process involves the hammering of copper filigree to form delicate floral patterns which are hand-filled with enamel to develop rich shades of colour before these beautiful cremation urns are gilded in gold.

A Living Tribute

Handmade from biodegradable and recycled materials and embedded with seeds, this paper heart will grow flowers as your own living tribute.

Simply plant it in a pot, or directly in a warm garden, covered with 0.5cm of fine soil.

Water lightly every day until the seeds germinate in approximately 5-10 days, then when needed. Flowers in 3-4 months. The paper will recycle into the soil as the seeds burst into flowers.

Pink/Salmon/White
Native Australian "Everlasting" Flowers

The urns found on this page are all proudly made by Passages International. Most are handcrafted from recycled paper and non-toxic glues and are all are designed for an eco friendly, biodegradable burial.

Biodegradable when placed into deep water. These will float briefly to allow a final farewell before gracefully sinking. Each urn comes with a water soluble bag for cremains inside and a custom carrying case. A monetary donation is made in memory of the deceased to an ocean conservation organisation dedicated to protecting our oceans.

- Crafted by hand from sustainable and renewable resources
- Biodegradable when buried in the earth or recycled after use
- TSA compliant. Can be carried on board most commercial aircraft

HONOURING A legacy

Many choose to memorialise at a memorial park, to create an everlasting legacy of their loved one - a place where family or friends can gather.

Sometimes creating a second memorial elsewhere is also a part of that legacy. Perhaps at home, in a sentimental or reflective place, or somewhere for family who live far away.

(Other than the flower pot, these are for private property use only, not for placement elsewhere without consultation and permission.)
